# ProMark

## Spray Pattern Indicator

Active Constituent: Sulphonated aromatic acid dye

ProMark is a bio-degradable, turf spray pattern indicator.

ProMark allows for accurate application of chemicals in a convenient, non-staining formulation.

5 litres

### DIRECTIONS FOR USE

Suitable for use with various pesticides to allow clear identification of treated areas.

Rate	Volume	Comments
Back Pack application	30ml per 5L of spray solution.	For back packs and hand applicators.
Boom / Broadacre application	6 to 10ml per 100m <sup>2</sup> 600ml to 1L per hectare	Greens application. Broadacre application such as fairways, parks and ovals.

NOT TO BE USED FOR ANY PURPOSE OTHER THAN THAT STIPULATED ON THIS LABEL.

### MIXING INSTRUCTIONS

The required amount of ProMark should be pre-mixed with water at a ratio of approximately 1:10. This mix should then be added to the spray tank followed by water till the tank is half full. Additional ingredients should then be added to the tank under agitation and filling of the tank completed. This will ensure thorough dispersal of the dye and other ingredients throughout the spray solution.

### ENVIRONMENTAL PROTECTION

DO NOT contaminate streams, rivers or other waterways with this chemical or it's container.

### STORAGE AND DISPOSAL

Keep out of reach of children. Store in original container, with lid tightly sealed in a cool, well ventilated area. Triple rinse empty containers before disposal. Undiluted chemicals should be disposed of through an approved waste collection agent. Empty containers should be punctured, crushed and disposed of in an approved landfill. Empty containers should not be burnt.

### SAFETY DIRECTIONS

Do not swallow. Avoid contact with skin and eyes. Wear appropriate eye protection, rubber gloves and overalls. Wash chemical from hands with soap and water after use.

### FIRST AID

If poisoning occurs contact a doctor or Poisons Information Centre (13 11 26). Give plenty of water and seek medical attention. If skin contact occurs remove contaminated clothing and wash skin thoroughly. If eyes are affected, flush continuously with water for at least 15 minutes and seek medical attention.

### CONDITIONS OF SALE

As the use of ProMark is beyond the control of the manufacturer (SST AUSTRALIA Pty Ltd) and their agents, no warranty, expressed or implied, is given by SST AUSTRALIA Pty Ltd or their agents regarding it's suitability or efficiency for any purpose for which it is being used by the buyer, whether in accordance with the label directions or not. SST AUSTRALIA Pty Ltd and its agents accept no responsibility for any consequences whatsoever resulting from the use of this product.
