

Cheval

DURATURF® Cheval contains hard wearing fast establishing perennial ryegrasses. DURATURF® Cheval utilises cultivars selected for their performance in racetracks, producing a dense deeply rooted turf grass system that will reduce divoting, maintaining ideal race conditions throughout the meeting.

Features

- Rapid establishment
- Hard wearing
- Drought tolerant

Cultivar	Species	%
Joust Prima	Perennial ryegrass	40%
Arena I	Perennial ryegrass	40%
Samson	Perennial ryegrass	20%
