

Trio Pro

DURATURF® Trio Pro is a blend consisting of three elite perennial ryegrass cultivars, ideal for use in a wide variety of sports turf situations. DURATURF® Trio Pro can be used in golf courses, sports ovals, cricket blocks and outfields or any fine turf ryegrass situation where an elite appearance is required.

Features

- Vigorous establishment
- Produces a dense uniform sward
- Dark green appearance
- Genetic diversity
- Exceptionally tolerant to low mowing

Cultivar	Species	%
Centurion	Perennial ryegrass	34%
